MATRIX DESIGNATIONS *(Please check ALL that apply)*

Research Focused on Plant Biotechnology

- Plant Biotechnology
- Genetic Engineering
- Cell Biology
- Developmental Biology
- Metabolic Engineering
- Secondary Metabolism
- Micropropagation
- Molecular Farming
- Physiology
- Somatic Cell Genetics
- Other _____

Research Focused on In Vitro Animal Cell Sciences

- Biotechnology
- Cell and Tissue Models
- Cellular Aging
- Cellular and Molecular Toxicology/Chemical Carcinogenesis
- Cytokines, Growth Factors, Adhesion Factors
- Gene Therapy
- Growth/Differentiation/Apoptosis
- Infectious Diseases/Cellular Pathology
- Oncology
- Product Applications
- Signal Transduction
- Other _____

Employer (Primary)

- Academic
- Clinical/Medical
- Government
- Industry
- Non-profit
- Retired
- Self-Employed
- Other (specify) _____

METHOD OF PAYMENT

- Credit Card Money Order Check (payable to 2024 World Congress on In Vitro Biology) is enclosed.

- Visa Master Card Discover American Express *(If not USA bank, add bank clearance fee: \$10, Canada; \$25, all others.)*

Card No. _____ Expiration Date _____

Name on Card _____ Signature _____ CSV _____

Card billing address *(if different than above)* _____

City, State, Postal Code, Country _____

Note: Our refund policy is as follows: All requests for cancellations and/or refunds must be made in writing. Refunds are subject to an administrative processing fee of \$50.00. The amount refunded is determined by the date the request is received. A full refund less the administrative fee will be granted if the request is received by March 31, 2024, one-half from April 1 to May 10, 2024; no refund after May 10, 2024. Exceptions to this policy will be made for attendees who are not able to attend the conference due to a country ban, government restricted travel, or airline restrictions. Those individuals may cancel after the deadline and receive a full refund of the paid registration rate minus the \$50 non-refundable administrative fee.

Abstract fees are non-refundable.

***Combined meeting registration/membership** includes SIVB membership for 1-calendar year (Jan-Dec) & meeting registration. Membership includes subscriptions to *In Vitro Cellular and Developmental Biology – Animal or – Plant* & the *In Vitro Report*. Contact SIVB for additional member information.

#NEW: Post Doc Registration Options: Post Docs now have same registration opportunities as regular attendees. Those who are members are eligible to register at a discounted rate with proof of status. Nonmember Post Docs can choose to either 1) purchase the discounted Post Doc Combination Membership/Meeting Registration Rate (see benefits * above) or register as a nonmember,

****Proof of student, Post-Doc or Research Technician status** will be required, or the full registration rate will be required. Proof of Student Status may be one (1) of the following: copy of student ID, letter from your supervisor, or current class schedule. Proof of Post-Doc or Research Technician status is a letter from your supervisor verifying your current status. Please forward your proof of status to the SIVB Business Office at sivb@sivb.org.

##The Sponsor-a-Buddy Program supports the SIVB's Student Initiative. For only \$25, members and attendees of the SIVB Annual Meeting can help support a student "buddy." Contributions will be used to support student activities for the meeting. Contributors will be acknowledged with a special ribbon at the 2024 World Congress on In Vitro Biology.

Please contact michele@sivb.org regarding Group Registration for 5 or more individuals from the same company.

Disclaimers

Photographs, video, and live streaming may occur during this conference for social media and other event publicity purposes. Your registration and/or participation in the meeting indicates your consent to be photographed and grants the Society for In Vitro Biology the right to copy, distribute, and/or exhibit name(s) and/or picture(s) of you.

The US Federal COVID-19 Public Health Emergency declaration ended on May 11, 2023, but SIVB continues to monitor the advisories and guidelines of local, US, and world health advisory organizations. As such, the 2024 World Congress on In Vitro Biology and Society for In Vitro Biology will adhere to local and national health rules and guidance, as issued by governing bodies such as the US Centers for Disease Control and Prevention (US CDC) and the St. Louis County Health Department. If those rules and guidance require specific policies and procedures associated with in-person meeting attendance, Annual Meeting materials will be updated to inform registrants and potential registrants.
